

CAMPSITE AND PARKING INFORMATION 2018- Latest Info

Campsite

Camping is free again this year!

Our campsite is in the grounds of St Francis Xavier's College, Woolton Hill Road, L25 6JA.

Please use the Woolton Hill Road entrance, rather than the old Beaconsfield Road entrance.

The Social Club will be very busy this year with various events ,including the screening of the Champions League Final on Sat and a Charity Day on Sun. They will be using the area which we normally use for camping for these events so have asked if people would please pitch their tents in a demarcated area on the far side of the cricket field this time. If anyone camps in the old area near to the social club their tent will end up being moved. If you notice anyone camping in the wrong area please let them know. Parking is available near the camping area, see area plan which will be posted on Social Club door.

The campsite will be available from 4:30pm on Fri through until Sunday evening. Although the campsite is well hidden away, we would advise you not to leave any valuables at the campsite as neither FOA nor St Francis Xaviers can take responsibility for any items going missing. There will be people on site during the day on Sat and Sun as the social club will be in use by its members.

The toilets and showers are on the ground floor of the Social Club. The bar will be open on the Fri and Sat nights and the beer prices are very reasonable. **Please do not take your own alcohol into the Social Club building.** The building will be locked and alarmed once the bar closes at around midnight. It will be open again from around 7am til 8.00am then again from 12 noon. There will be a portaloo near the camping area for overnight use.

There are a range of takeaways, shops, restaurants and pubs approx. 1 mile away. Leave the college via the Woolton Hill Road entrance, turn right then take 3rd exit at roundabout heading right (Church Road). Carry on approx. 1 mile into Woolton Village.

Please clear up your litter and don't light fires, we want to be allowed to come back again next year!

As this is school premises no dogs are allowed.

If there are any problems with the campsite please ring Ruth McCutcheon on 07977066216.

Competition Car Park

Our new tournament venue this year is Princes Dock. Competition Car Park is L3 1DL, Princes Parade. It takes about 30 mins to drive there from the campsite.
