

FRIENDS OF ALLONBY CANOE CLUB LIVERPOOL

28th Liverpool Canoe Polo International 24th and 25th June 2017

Thank you for supporting our event, for this year as most of you realise the city is also hosting the Armed Forces Day on the Saturday and as a result the River Festival and likewise although several weeks later than normal our event has had the need to fall in line with the City Events team calendar. Although our event also coincides with the Mechlen International we have still managed at this time to welcome 34 participating teams. In the event that there was a much reduced Class 1 entry the Class 1 entries namely Dragon and Kingston have kindly agreed to enter Class 2 in balancing their Class 1 ability players within their other team entry's. Thank you both.
