

# Friends of Allonby Canoe Club Liverpool

Canoeing and Kayaking Merseyside & beyond since 1981

1981 - 2018 : 37 Years of Paddling

## Under 16s Youth Policy

Dear Member/s, Parents and Guardians

The Club requests that when children under the age of 16 years attend any pool, dock or adventure session that **a parent or guardian remain in attendance at that session**. This will enable you to watch the session and see the fun and pleasure you can get from canoeing. You will be made most welcome and could even have a go yourself! Remember canoeing is of all ages and levels of fitness.

Should you wish to help on the waterside, the club is always looking for volunteer helpers with administration or even equipment maintenance during these sessions – so come along and join in.

Looking forward to getting to know you.

*The Committee*
